## POSITION ANNOUNCEMENT: Water Policy Project Intern

***The Citizens League is seeking a part-time intern to support its upcoming study on water policy in Minnesota. This is a paid internship that will begin in May. Summer-only candidates will be considered, but a preference will be given to candidates able to stay on through December.***

***The Water Policy Project intern will play a vital role in this citizen-based study committee's ability to complete its work successfully by providing consistent and high-caliber administrative and research support. He/She will have the opportunity to learn about the Citizens League work more broadly by assisting with other policy projects and general office work.***

***The successful candidate will have strong note-taking, writing and research skills, and will demonstrate effective self-direction, including an ability to balance multiple tasks. Applicants with a strong interest in non-partisan public policy and citizen engagement are especially encouraged to apply.***

### RESPONSIBILITIES

- Research and administrative support for citizen-based study committee on water
  - Provide administrative and logistical support for Citizens League staff and committee members, including taking and transcribing notes for all committee meetings.
  - Develop literature reviews and summaries of legislative and policy work
  - Prepare, edit and proofread documents for the committee
- General administrative support for other Citizens League activities, including:
  - Prepare meeting materials and minutes for other citizen-based committees
  - Staff Citizens League events
  - Assist with occasional administrative projects, such as mailings or archiving past Citizens League policy work

### SKILLS AND EXPERIENCE

- Ability to work in an ideologically-diverse, non-partisan political environment with a wide variety of stakeholders and to effectively coordinate work with other staff and volunteers
- Strong research, writing, communication and note-taking skills.
- Ability to manage multiple projects and prioritize responsibilities.
- Experience and/or interest in public policy and civic engagement, and issues of water.
- Interest in and commitment to the mission and principles of the Citizens League.
- Familiarity, comfort and aptitude with a wide range of software including Microsoft Office, Outlook, and basic HTML

### SALARY AND WORK HOURS

- Hourly compensation ranging from \$10-\$15 per hour based upon experience and/or academic background.
- Approximately 20 hours a week with flexible scheduling. Some early morning and/or evening hours required.

### HOW TO APPLY

Interested candidates should send a cover letter, resume, and contact information for three references by April 25, 2008. Receipt will be confirmed with more information about the interview process.
