Citizens League Higher Education Study Committee

Thursday July 1, 2004
10:00 – 12:00 p.m.
Metro Counties Gov't Center
2099 West University Avenue
Saint Paul

Initiating questions:

- How is “research” defined in today’s higher education environment, e.g. “basic” and “applied”? How should it be defined?
- How is research funded today, and how should/could it be funded in the future?
- What are the implications and connections for higher ed research in the corporate and outside community?
- What are the structural and institutional implications of these issues?

AGENDA

- 1) Review/approve agenda and questions 10:00 – 10:05
- 2) Testimony from panel 10:05 – 11:00
 - a. University of Minnesota
 - b. Federal Reserve
 - c. MNSCU
 - d. Corporate/outside
- 3) Discussion with panel 11:00 – 11:45
- 4) Evaluation and Next meetings 11:45 – 12:00
