

Long Term Care Follow-Up Study Proposal 07.02

1. Describe your project idea, including clearly defining the problems and specific policy questions to be addressed.

See 1999 CL report on Long Term Care and MN Journal 23 issue 6, July 2006

2. Why is this problem important?

See above

3. How could the Citizens League make a unique contribution?

Up date 1999 report along lines suggested in MN JOurnal

4. What are prospects that project would yield recommendations that could be implemented and have a major impact on the problem?

Prospects ?? Major impact if accepted

5. Explain how this problem can be addressed by data, research, and reason? Identify probable sources for data and research.

Durenberger can provide

6. Explain how this proposal can be framed without partisan bias.

Long term care for the "sandwich" generation is a non-partisan issue affecting most every MN family

7. Why would this project be attractive to members?

Most will face the issue of how to finance long term care in retirement, sooner rather than later.

8. How would this project reach out to under-represented segments of the community?

LT Care reform can reduce the drain on pblic financing resources for the poor, eg. Medicaide

9. What is the potential for making this issue visible to a broader public? Why?

It is.

10. What resources—funding, experts, etc. might be available to support this project?

Unknown
